Chubb – Fortress Safe

BURGLARY – RESISTANT PROTECTION

Fortress Safe is specially designed using improved burglar and fire resistant materials of high density and strength for the protection of important documents, cash and valuables against burglary and fire

Night Drawer Trap (NDT)

Allow for effective deposit of cash and documents through a secured drawer without having to open the safe's main door. An "Anti-Fishing Plate" is also incorporated to protect against "fishing" attempts to remove the safe's content through the Trap.

Key Lock

Secured by one 8-lever double bitted Key Lock from Germany

Electronic Lock

Easy to operate with a personal code. Time lock sets in if wrong code is entered more than 3 times.
